Web-Design and Development Project 2026

Checkpoint 1 — Project Management & Design Documents

Group D: Abdul Qadir Naveed, Salma Yusuf, Jannat Khan, Yahya Syed Mohamad

Design ideas:

- Design/concept

  Website concept: The core concept of our website “Degrees of Impact” is that it is mainly a quiz website that questions users on the knowledge they have about climate change and its impact (SDG13)

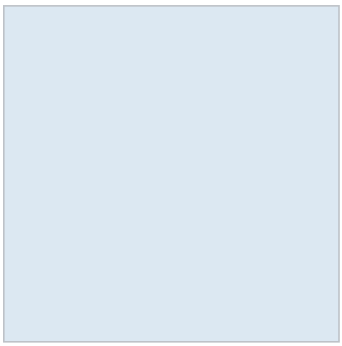

- Color palette

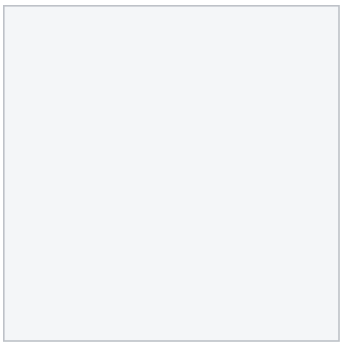

#FF6B35
Accent — CTA / highlights (standout)

#2D6A4F
Primary green — nav, buttons (normal)

#DCE8F2
Light tint — cards / section backgrounds

#F4F6F8
Light background — page / text panels
